 Stephen Bell, Principal
 Roy Pelotte, Assistant Principal
 Jennifer Towle, Director of Guidance

COMMUNITY

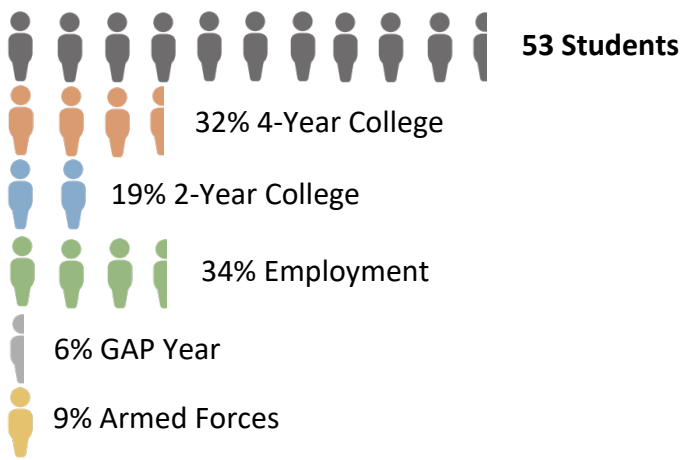

The primary purpose of Dexter Regional High School is to prepare students to be integrated and informed thinkers, as well as responsible and involved citizens. The administration, faculty and staff in partnership with the community, support self-directed and lifelong learning, clear and effective communication, creative and practical problem-solving, and collaborative and quality work.

Dexter is a charming rural town located on the Moosehead Trail. The community is centered around the 1,170 acre Lake Wassookeag. The 2020 Census recorded Dexter's year-round population at 3,704 residents. Golfing, swimming, fishing, boating, hunting, four wheeling, and snowmobiling are just some of the popular recreational activities associated with the area. Dexter also has many clubs and organizations that are very active in the community.

CURRICULUM

Dexter Regional High School is a New England Secondary School Consortium member and has transitioned to a proficiency-based curriculum with the class of 2018 being the first to earn a proficiency-based diploma. DRHS operates on a block schedule where classes meet every other day for 60 minutes per block, on a five-class per day rotation. Students are required to take a minimum of eight classes per semester. All core courses are taught at the college preparatory level. Students who do not meet standards in a class have the opportunity to recover those standards to meet graduation requirements. Each student's unweighted GPA is calculated on a 4.0 scale and includes all courses taken. Students can receive Summa Cum Laude recognition for a GPA of 3.75-4.0 or Magna Cum Laude recognition for a GPA of 3.5-3.74. A valedictorian and salutatorian will be recognized, but class rank is not otherwise reported.

POST SECONDARY PLANS: CLASS OF 2022

SCHOOL

Accreditation: New England Association of Schools and Colleges

Total Enrollment: 266
 Total Senior Class: 68
 Special Education: 25%
 Free and Reduced Lunch: 44%
